

DATA SHEET

SHINING LIQUID LUSTRAT

LUSTRAT is a silicone-free liquid, ready for use, used to provide a shine to gel-coats or lacquered paints. It is recommended particularly after the application of **POLISTRAT**, in order to provide a finish and good appearance to polyester hulls.

PHYSICAL CHARACTERISTICS

Appearance : Creamy liquid
Density at 20°C : 1
Flash point : > 60°C
Product : No flammable.

APPLICATION

Shake well before use. Apply to small areas using a cloth, and spread by a light rubbing action.
Dry off with a very dry, soft cotton cloth.
Close the container well after use.
LUSTRAT is used by hand or using a polisher.
Repeat the operation until the desired shine is attained.

PACKING AND STORAGE

Packaging : 500 ml
Storage: Store in shelter at a temperature of between 0°C and 50°C.

PRECAUTIONS FOR USE

Keep out of reach of children. In case of contact with the skin, rinse with plenty of water.

HEALTH AND SAFETY
